

WAME Needs You!

The **Washington Association of Marketing Educators** www.wame.us (WAME) is marketing educators you know and work with working to improve marketing education in the state of Washington through legislative action and professional development. WAME performs many missions benefiting marketing educators in the State of Washington:

- WAME officers serve on various committees of the Washington Association for Career and Technical Education, giving you voice with our vocational association in Olympia and thereby a voice in the state legislature. When hard economic times threaten and the state funding pie begins to shrink, it is important to champion our issues to those who make the decisions to fund our programs.
- WAME provides opportunities for teachers to keep current in their subject area by providing workshops and forums at conferences such as the WA-ACTE summer conference and the Coop Conference in Lake Chelan.
- WAME drives the curriculum for marketing education through our continued support of the Northwest Curriculum Academy.
- WAME serves on the Board of Directors for Washington DECA, giving you a voice in your student organization and how it is run.
- WAME awards scholarships to assist members in attending marketing and vocational conferences around the country, bringing back innovative ideas of ways to teach our subject.
- WAME offers workshops, taught by veteran teachers, to assist beginning marketing/DECA teachers in negotiating the minefield that can await them.

Membership Fees

- **Active Association Membership: \$20.00.**

Three ways to join:

1. Apply online. Either just pay for section (WAME) dues or get the full deal; WAME, WA-ACTE & ACTE on the WA-ACTE website: www.wa-acte.org. Payment can be made with credit card using Paypal.
2. Pay \$20 section (WAME) dues when you register for the FLC conference.
3. Print out, fill out and send the WAME application below along with your check for **\$20** made out to the Washington Association of Marketing Educators (WAME) to:

Doug Aubert
Membership Coordinator
